

Coronavirus (COVID-19) Update - August 2020

Hello MZ Community, I hope you all are doing well and keeping your spirits high during these challenging times. As we move forward during the upcoming **STAGE 3** shutdown for Regional Victoria, effective from 11:59 PM, Wednesday 5th August 2020, we will be running our normal schedule until then (with minor adjustments for Mini Feet and STDT)

For the rest of term 3, classes will be streamed online with an adjusted schedule. This will enable all students to continue their normal training from home. These online classes will assist students in maintaining their physical and mental well being. ***(More online info to come)***

While I am so sad to see this happen again and understand the massive impact of this shutdown on all of our lives, I understand the significance of this measure to avoid the terrible loss of lives in the community.

MZ supports and extends our gratitude to all the frontline workers, state and federal governments who have been working tirelessly to deal with this pandemic. During this period, the health and safety of our staff, students, visitors and the wider community is our priority. Read our Policies and Procedures.

All MZ students and families will receive a detailed email with updates. MZ invites new students to join our **ONLINE** community and dance through COVID! I want to thank you all for your support and we will get through this together. Students and families, I would love to see little videos of you dancing, so remember to tag us on **INSTA** and **FACEBOOK**. Let's keep our spirits high.

If you have any questions or queries please don't hesitate to contact me.

Regards, **Sas Cook (Sarah)**
Director of Movement Zone Dance
